Carlos Salinas

New York, New York

516-469-7896, salinas.carlos14@gmail.com

EDUCATION:

Queens College, CUNY   May 2022
B.S. Candidate in Computer Science

New York University   May 2017
B.S. in Finance/Data Science

PROGRAMMING PROJECTS:

HSBC Debit Card Expense Tracker (Python, SQLite3, GUI)

- An app design to upload online bank statements from Excel into a Sqlite3 database. Used Tkinter to create a GUI to view transactions in the database with custom searches.
- Includes ability to group transactions, categorized those groups, and plot groups and categories. New transactions will automatically join into groups based on key words.

WORK EXPERIENCE:

Envirosell Inc.   New York, NY
Data Entry   Sept 2018 – April 2020

- Created database forms in MS Access for data to be processed
- Worked closely with Data Analyst team to interpret how data should be collected
- Analyzed customer information for managers to increase in-store product placement sales

Liberation Point (Non-Profit)   New York, NY
Intern   Jan 2018 – August 2018

- Conducted research to assist in the creation of the non-profit's website.
- Researched several topics to assist in the development of our clients.
- Participated and assisted in preparation of a fundraiser event that raised over $2000.

Lehigh Technical & Professional   New York, NY
IT Technician   June 2017 – June 2018

- Installed computer hardware and software for personnel of large financial institutions.
- Troubleshoot hardware or software issues in person.

Bow Tie Cinemas   Manhasset, NY
General Staff   Aug 2016 – October 2018

- Perform tasks such as cashier, serve concessions, operate movie equipment.
- Answer questions and assist customers in person and over the phone.

Jerry Laskin Enterprises   Port Washington, NY
Photographer Assistant   Sept 2013 – Sept 2015

- Performed general duties and assisted photographer.
- Formatted and framed photos at various events such as bar mitzvahs.
